## AUGUST IN MINNESOTA...

With 193 acres, limestone bluffs and river overlooks, Minnehaha Falls Park - halfway between Minneapolis and Saint Paul is spectacular. Pack a picnic to enjoy while watching the falls, or take a relaxing walk or bike ride on the bike/pedestrian trail.

Minnesota is home to one of the best brew scenes in the United States, and there's no better time to crack open a few beers than in the scorching summer heat. Better yet, escape the sun for a little while during a brewery tour. There are dozens of locations around Minnesota.

The Minnesota State Fair! Fried food on a stick? Li'l piglets in the Miracle of Birth barn? Rockin' Grandstand shows? All the people-watching you can handle? There's a reason it's called the Great Minnesota Get Together, and we're already counting down the days.
